

# Bob Bacigal

Tenji, Director of Design and Planning

## Highlights •

As a project manager and designer, Mr. Bacigal is responsible for estimating scope of work, identify dependencies, critical path activities, and the resources needed for each project. He is also in charge of leading various contract documentation enabled initiatives in a fast paced team and a changing organization.

- Manage projects, and drive the project team from start through to completion
- Define project scope, objectives, milestones and deliverables
- Ensure project requirements are suitably defined, understood and signed off
- Pro-actively manage project risks and issues and minimise their impact on the project
- Negotiate use of resources in a matrix management environment

Mr. Bacigal contributes to the production of: exhibits, schematic design, architecture, furniture, and lighting. In addition, he also has an outstanding background in wood fabrication, metal machining and fabrication, welding, plastic fabrication, as well as graphic fabrication.

## Prior Experience •

### CEO AND FOUNDER, SLEEPING DOG DESIGN, LLC, WATSONVILLE, CA

Mr. Bacigal was responsible for planning, designing, and fabricating themed interpretative environments for a wide spectrum of clientele from national and local government institutions, parks, and museums to aquariums. As a leader of multidiscipline teams, he has consistently fostered thoughtful and respectful collaborative solutions to complex and diverse projects.

### SENIOR EXHIBIT DESIGNER, MONTEREY BAY AQUARIUM, MONTEREY, CA

Lead designer responsible for the “look and feel” and visitor experience in a highly diverse team, from evaluation and master planning through to construction. Supervised design staff, contract documentation and exhibit fabrication. Mr. Bacigal was the lead exhibit designers on the Outer Bay Wing Expansion that opened to the public in 1996.
